# **About us**

#### **About Apollo**

Apollo Language Centre is an award winning English language school in Ireland. With a school for adults in Dublin city centre and Apollo Camps for juniors in Dublin, Limerick & Cork, Apollo offers you the promise of an unforgettable experience.

#### **Apollo Summer Programmes**

Our four Junior Camps for students aged 11-17 run every Summer in Dublin, Cork & Limerick. We have two junior centres in Dublin at Sutton Park School with host family accommodation and Maynooth University with residential accommodation, one centre in Cork at University College Cork, which offers residential accommodation and one centre in Limerick at the University of Limerick which also offers residential accommodation. Our Young Adult Programme for students aged 16-19 runs for 8 weeks from June-August at our Adult School in Dublin with host family accommodation.

#### **Award Winning Programmes**

#### Apollo is the proud winner of eight Study Travel Star Awards!

Apollo is the first language school in Ireland to be inducted into the StudyTravel Super Star Hall of Fame after winning the 'Star Junior Programme for under 18s' award for five years in a row in 2018, 2019, 2020/2021, 2022 and again in 2023.

We also won the 'Star New School' Award in 2019 as well as winning in the 'English Language School – Europe' category twice in 2022 and 2023.

Considered one of the highlights of the global study travel marketing calendar, the ST Star Awards bring the industry together to celebrate fantastic provision and service in international education.

Please note that this is a sample timetable and is subject to change.

The YoungAdult programme is not a junior programme and gives students a certain amount of free time but at the same time is a package programme with appropriate levels of supervision for this age group, giving parents peace of mind.

### **Apollo Advantages**

#### **Apollo Focus**

We offer an optional 9 hours' extra tuition per week, completely free of charge with a focus on project work and communication. Students can choose the Apollo Focus option when with us at the school.

#### **Apollo Workbooks**

Apollo Juniors each receive their very own course workbook filled with interesting topics & activities to follow during their course. Students will bring their workbook home giving them a sense of accomplishment & giving parents the opportunity to see what their son/daughter has been learning while in Ireland.

#### **Apollo Real World Learning**

Classes are designed specifically for students of this age using engaging topics & material. Our teachers use unique teaching methods to encourage students to speak English without feeling self-conscious.

#### **Apollo Chill Out Rooms**

Apollo Junior Programmes have become renowned for our Chill Out Rooms where young learners can experience our irtual Reality (VR) headsets as well as PlayStation Gaming & Arcade Games. Our Chill Out Rooms are always busy during free time periods and it's a great way for students to meet new friends, especially if they are feeling shy at the beginning of the programme.

#### **Teams for Individual Students**

As a lot of our students come to Apollo as individuals, we operate a system of teams and Team Captains whereby students have a daily meeting with their Team Captain (Apollo staff member) which ensures students have all information they need and have a daily point of contact with us.
